Dear Sir:

Applicant files this response to the Notice of Non-Compliant Amendment mailed July 6, 2006.

The Non-Compliant Amendment was submitted with an RCE dated June 23, 2006 after

Applicant's discussed the case with Examiner DeSanto during an in-person interview on May 31,

2006. The Amendment submitted with the RCE on June 23, 2006 did not list the previously

cancelled claims 1-38, which were cancelled in an amendment dated May 23, 2006. This

response is a copy of the June 23rd Amendment which requested cancellation of claims 39-76

and the addition of new claims 77-114. The additional listing of cancelled claims 1-38 is now

included.
